The Core Four Series by Stacy Borel - Goodreads

This is the second in the Core Four series, and can be read as a stand alone. In fact, it felt like a stand alone as it had been so long since I read the first one (Bender) and I had mostly forgotten it's story. I loved the first book, so I was really looking forward to Slider. And while I liked it, I just didn't love it.

Slider (The Core Four, #2) by Stacy Borel - Read Online in ...

By that I mean, and I do believe it important to explain myself, Slider is a second novel in the Core Four series featuring another Brooks bother, and while the first novel, Bender, permitted readers a great insight as to who the family was, get to know them on a personal level, I felt as though we didn't get as much one-on-one time with Turner and Annabelle.
