The End of Solution Sales - Harvard Business Review

"Probe for weaknesses, confirm, trial close, handle objections and present our solution." It's all standard sales jargon – beware the cliché. As a new copier rep, you'll be forced to endure hours of being taught every selling technique ever created. You may find them new, but these schemes are timeless; repeated through the eons.

The Death of The Copier: #SolutionSelling is Dead

Is solution selling dead, or has it evolved with the times? – Jason Snook. First, let's review what solution selling is before we try to answer that question. What is Solution Selling? Solution selling, or consultative selling, is a sales methodology developed in 1975 by Frank Watts. The concept of solution selling is simple – rather than promoting a product the sales team focuses on the prospect's problems and then addresses those problems with products and services offered by the ...

announcing the death of the solution sales model. As one tech company sales director put it: "Our customers are coming to the table armed to the teeth with a deep understanding of their problem and a well-scoped RFP for a solution."

Solution selling is dead. Long live inbound sales

In many cases, they've already honed in on a desired solution and, as a result, they no longer appreciate a solution selling approach that relies on open-ended questions aimed at diagnosing their needs.

However the review also identified that while traditional solution selling is still dead, the changing B2B landscape has given rise to a new ...

Is Solution Selling Dead?

They still need to present their solution in a tailored way to the needs of the prospect. Solution selling is not dead. It has instead evolved. Here at SOCO, our methodology incorporates much of the Solution Selling philosophy, but we take it a step further, instilling the skills reps need to close deals. The typical solution selling process can be too passive at times; instead, sales professionals need to know when the situation calls for guidance on the rep's part and what it takes to ...

Solution Selling - The Four Essential Steps of the ...

From my experience solution selling has never really truly been alive in many organisations. Sure they use the word solutions liberally, but the reality is that is where it starts and finishes. Strap lines have been created and hardware, software and service bundles defined, but that is not solution selling.

Is Solution Selling Dead? | Prepit

Solution Selling Is Deadterm for today's typical sales process. This process hasn't changed much in 40 years! The Harvard Business Review recently completed a study of over 1400 businesses and concluded that nearly 60% of a customers buying decision is made before they ever...
