forum. In 2008, a mod for the video game Star Wars: Jedi Knight Jedi Academy was released called Knights of the Force. It was intended as an expansion pack/total conversion for the game, offering players the ability to explore all the various maps of the game and fight against or be hundreds of characters from across the Star Wars Saga. That mod however has long since ended development, yet it has inspired us, a new mod team, to come and fulfil the goals of that original mod and bring it to ...
