The Ori / ra / are fictional characters in the science fiction television series Stargate SG-1. They are a group of "ascended" beings who use their advanced technology and knowledge of the universe to attempt to trick non-ascended humans into worshipping them as gods. They first appeared in the ninth season of Stargate SG-1, replacing the Goa'uld as the show's primary antagonists. While the Goa'uld relied on stolen technology from other civilizations to pose as gods, the Ori also have ...

SG-1 and Jacob escaped aboard an uninfested cargo ship, while Apophis and the Replicators burned up on re-entry to Delmak. (5.01 "Enemies Part 2") Some months later SG-1 found an advanced, humanoid android, named Reese, on a deserted planet. Once awake, Reese said she was created by a human scientist whom she referred to as her father.
