Naked With Strangers. In a bid to escape the arctic chill

...
Robert Peary was an American explorer obsessed with the arctic, to which he went on several expeditions around the turn of the century. He even attempted to reach the North Pole in 1906. He failed but claimed to discover a new island on the way. In fact he said it was a giant floating continent near Greenland.

Literature's Arctic Obsession | The New Yorker

The brainchild of Swedish twins Rickard and David Berg, and Rickard's wife, Heather Thorkelson, Twin Tracks Expeditions was born from their experience as polar guides and expedition leaders in both the Arctic and the Antarctic. Having led expeditions across the world, from Greenland to the Antarctica, the brothers have put their extensive expertise to good use, realising there was a gap in the market for very small vessels for discerning travellers who are looking for a more intimate ...
