Your tactics help you answer the question, “How are we going to accomplish our goal?”. Ultimately, a good way to think about the difference between the two is that strategy acts as a guide to a set of actions that various departments or teams will undertake.

Strategic Planning: Strategy vs. Tactics - dummies

Let’s define Strategic, Tactical and Operational planning. Apr 3rd, 2014. Strategic planning is an organization’s process of defining its strategy, or direction, and making decisions on allocating its resources to pursue this strategy. Generally, strategic planning deals, on the whole business, rather than just an isolated unit, with at least one of following three key questions:
