the charms of celebrity chef Nigella Lawson. Aspiring playwright Bror Telemann loves all things British. His wife, Nina, loves everything German. So a family holiday at the foot of the Alps, south of Munich – which Bror believes to be the birthplace of Nazism – is bound to cause tension. Especially when Bror spends the whole time virtually stalking (and constantly fantasizing about) his greatest obsession, British chef Nigella Lawson. Can Telemann continue to bear the pressure of his empty existence? Or will his long-suffering family be the first to snap?

## Erlend Loe

Det var på den tiden hun begynte å komme oftere. Om kvelden, like før jeg skulle legge meg. Slik begynner denne boken. En ung kvinne, Marianne, dukker opp fra ingensteds og begynner å forsyne seg av livet til jeg-personen. Det er en humoristisk historie om maktesløshet. En advarsel til alle unge menn og kvinner. Dette er Erlend Loes debutroman, første gang utgitt i 1993.

Troubled by an inability to find any meaning in his life, the 25-year-old narrator of this deceptively simple novel quits

university and eventually arrives at his brother's New York apartment. In a bid to discover what life is all about, he writes lists. He becomes obsessed by time and whether it actually matters. He faxes his meteorologist friend. He endlessly bounces a ball against the wall. He befriends a small boy who lives next door. He yearns to get to the bottom of life and how best to live it. Funny, friendly, enigmatic and frequently poignant - superbly naive.

famous texts through new lenses while reflecting on the genre of the travelogue. Elisabeth Oxfeldt's analysis contributes to our understanding of Scandinavian attitudes toward the foreign countries and peoples depicted in the travelogues."--Monika Zagar, University of Minnesota --

The literature of Scandinavia is amazingly rich and varied, consisting of the works produced by the countries of Denmark, Norway, Sweden, Finland and Iceland, and stretching from the ancient Norse Sagas to the present day. While much

of it is unknown outside of the region, some has gained worldwide popularity, including the fairy tales of Hans Christian Andersen, the stories of Isak Dinesen, and the plays of Henrik Ibsen and August Strindberg. While obviously including the area's most famous works, the Historical Dictionary of Scandinavian Literature and Theater also provides information on lesser known authors and currents trends, literary circles and journals, and historical background. This is accomplished through a list of acronyms, a chronology, an introductory essay, a bibliography, and several

hundred cross-referenced dictionary entries, which together make this reference the most comprehensive and up to date work of its kind related to Scandinavian literature and theater available anywhere.

Country of Origin: Norway  
Kurt is a truck driver. He's been a truck driver for many years. Almost since he was a boy. He's always been a very kind man, until... One day he rescues a man who sleepwalks off the pier, and he gets rewarded with a diamond as big as a football. But what use is a diamond? Kurt sells it and gets 50 million dollars.

With all that money, it is perhaps not surprising that Kurt turns nasty.

An elk is for life, not just for Christmas... Doppler has just lost his father.

Despite the fact that he has a pregnant wife and two children, he decides to move into the woods . Here he starts a lonely and purposefully boring existence. He has never been so happy. When Doppler kills a she-elk for meat he can't feel guilty about it, but he does feel a bit guilty about the calf she left behind.

When the baby elk adopts him, Doppler is tempted to knock it down as well. But

the little elk is wily and escapes death, and gradually they become friends. He names the little elk Bongo. Doppler is a charming, absurd and subversive novel with serious undertones and criticism of our modern consumer society.
