Teaching pronunciation with phonemic symbols Phonemic symbols represent the sounds of the English language. Using them can be a valuable tool to improving your students' pronunciation. Why use phonemic symbols?

Teaching pronunciation with phonemic symbols - TeachingEnglish

What are the implications for pronunciation teaching? Students should be given choice. That is, when students are learning English so that they can use it in international contexts with other non-native speakers from different first languages, they should be given the choice of acquiring a pronunciation that is more relevant to EIL intelligibility than traditional pronunciation syllabuses offer.

TeachingEnglish | British Council | BBC

When studying and teaching pronunciation, you will need to learn to use a respelling system to help students get the feel of the language. Some people advocate the use of the International Phonetic Alphabet (IPA), but a problem with that system is that very few students know it and you can spend an inordinate amount of time teaching it to them only to have them move on to another teacher who doesn't use it.

Teaching Pronunciation Teachingenglish

First of all, the key to teaching pronunciation is to teach it on an ad hoc basis. There is no need to dedicate an entire hour-long lesson to teaching pronunciation. Instead, keep an ear out for specific pronunciation problems your students are having and plan a short activity to deal with it.

HOW TO TEACH PRONUNCIATION TO YOUR TEFL CLASS

Many English teachers avoid teaching pronunciation, not because it is not necessary, but because they have little or no information on the subject. Proper pronunciation is essential when learning English as a second or foreign language however; the main goal is to be understood, after all, and if ship comes out as sheep (or worse!), this purpose may be quickly defeated.
