Pioneering book artist Hedi Kyle, in collaboration with her daughter, Ulla Warchol, shows you step-by-step how to use folding techniques to create thirty-five of Hedi ' s most popular inventions. Projects include flag books, blizzard books, the fishbone fold, and nesting boxes, among others. An insight into the work of a truly skilled artist, this book was written to inspire others to experiment with new realms of making and conceptualization using the art of the fold.

~~Discover origami, the ancient art of paper folding~~

Origami is the art of paper folding, which is often associated with Japanese culture. In modern usage, the word "origami" is used as an inclusive term for all folding practices, regardless of their culture of origin. The goal is to transform a flat square sheet of paper into a finished sculpture through folding and sculpting techniques. Modern origami practitioners generally discourage the use of cuts, glue, or markings on the paper. Origami folders often use the Japanese word kirigami to refer
