The blackbird singularity is a proposal for a new dimension, which we witness in Vince's thought life as he attributes words to the blackbird Blackie who visits his garden, projecting his own beliefs, fears, hopes, despair, delusions, and meaning onto its chirps and song, which he sees and hears everywhere he goes in increasing measure and intensity; and to his other hallucinations, including his dead son.

The Blackbird Singularity by Matt Wilven. 8/3/2016. 0 Comments. Coming in paperback 11/1/2016. Matt Wilven does something wonderful and much needed with his debut novel, The Blackbird Singularity; he makes mental illness approachable and real. In an age when every act of mass violence is pegged either on radical fundamentalists or "crazy" people, having and managing a mental illness is an unheard of feat.

The Blackbird Singularity would be a great novel for book groups to discuss because different people may have conflicting interpretations of the symbolism and may also be in disagreement over what is real and what is imagined in Vince's narrative.

~~Book review : The Blackbird Singularity— Matt Wilven~~

The Blackbird Singularity is a story about the pain of grief and the journey to recovery, about how we sometimes have to lose ourselves in order to find ourselves, and how that process can sometimes feel a little bit magical.
