The Cartel By: Ashley& JaQuavis The purpose of wring the book the cartel is that the reader can see in too the business of a cartel. When you read this book you can get the truth about the business and the life of the Diamond family. You will get the bad and good, happy and sad. It also has a good meaning like telling you that family comes first. That what I think the authors purpose was in writing this book. This book can impact the audience in a good and bad way.
