This book is what it says it is, "The City in History". Starting in the neolithic era, Mumford marches through all of recorded time and place (place being limited to the Near East, Greece, Rome, Europe and America) to bring, you, the reader, his thoughts on the role and "prospects" of the city. In the beginning, it's an exhilarating ride.

~~The city in history: its origins, its transformations, and ...~~

The distillation of years of research, study, reflection and writing — and the fulfillment of the promise of *The Culture of Cities*, *The City in History* will challenge, disturb and inform all who come to grips with its thesis and development. Virtually, here- through the central theme of the city- is world history.

In 1916, the city experience its first aerial bombardment when a Zeppelin airship bombed it during the First World War. Council housing was built on a large scale from the 1920s onwards, with families from inner city slums being rehoused on new estates including Paulsgrove, mostly in the north of Portsmouth.
