Think up and down each of these eight scales allowing the manager to tease out the similarities and differences between two cultures on each scale. When examining the 8 dimensions what matters is not the absolute position of either culture on the scale but rather the relative position of the two cultures.

The culture map (source: [www.erinmeyer.com/tools](http://www.erinmeyer.com/tools)) When examining how people from different cultures relate to one another, what matters is not the absolute position of either culture on the scale but rather the relative position of two cultures. It is this relative positioning that determines how people view each other.
