The Federal Employers Liability Act was designed to put on the railroad industry some of the costs of the legs, arms, eyes, and lives which it consumed in its operation. Not all these costs were imposed, for the Act did not make the employer an insurer. The liability which it imposed was the liability for negligence.**

Federal Employers' Liability Act - FELA Law - HG.org

Because of this danger, the U.S. Congress passed the Federal Employers' Liability Act (FELA) in 1908. For over 100 years, the FELA has provided the only legal remedy for railroad workers injured or killed while in the service of the railroad. Railroad employees are not eligible for state workers' compensation benefits.

FELA - Federal Employers' Liability Act - Brown & Crouppen

The Federal Employers Liability Act, or FELA, gives railroad workers the right to sue their employers for damages if injured while on the job, when not covered by other compensation laws. Contact a FELA attorney if you have suffered an injury while working on railroads.

What is the Federal Employers Liability Act? - FELA Law

In the late 1800s, railroad expansion was a major undertaking in the U.S. Unfortunately for the many workers employed by the railroad companies, this was an extremely dangerous job. To keep railroad workers protected, a law was put into place: the Federal Employers Liability Act, or FELA. Under FELA, railroad workers and their families became entitled to sue the railroad companies for compensation.

The Federal Employers' Liability Act | FELA

Enacted in 1906, the Federal Employers Liability Act was one of the first mandates on employment law passed by the United States Congress. The goal of the act was to provide compensation to railroad employees in the event of injury as well as protect railroaders from general misconduct and negligence by the companies for which they worked.

What is the Federal Employers Liability Act? (with pictures)

About the Federal Employers. About the Federal Employers' Liability Act. GENERAL—Injured railroad workers are covered by the Federal Employers' Liability Act (FELA) which was enacted in 1908. The United States Congress passed the FELA to reduce the appalling accident rate in the industry and promote uniformity in railroad equipment and practices. Basically, the Acts applies to railroads and their employees.
