Daily Devotions with Pastor Jim - "The Incomparable Christ" by John Stott (Part III)

The prayers of 6-year old Amy to her very best friend, God. God really is Amy's best friend and she treats Him that way. She brings Him a cupcake for his birthday, helps Him out with His problems, asks to become His assistant, and even takes objection to the creation. Why is fun so important? Because it is an avenue to God that is so very, very natural to small children. It gives small children (age 3-6) spirituality with a smile, a great big smile through the practice of nighttime prayer. "Amy's Best Friend, Prayers of a Child" comprises a personal introduction from Amy followed by 14 illustrated prayers, and finally special pages to record a child's own prayers. The book is non-denominational. "Amy's Best Friend" is accompanied by two fun books to support your child's practice of prayer. First, there is a coloring book giving your child hours of fun coloring in the same prayers you have read to him/her. Second, after all the pages at the end of "Amy's Best Friend, Prayers Of A Child" have been been filled with your child's own prayers, a prayer journal is available under the name "Amy's Best Friend, Prayers of A Child: My Prayers." All books plus the Kindle ebook are available from my authors page: <http://www.amazon.com/author/amyamos>.

Oswald Sanders Now Re-Released with a Beautiful New Cover "The complex strains and problems which the Christian encounters in the contemporary world find their answer, not in tranquilizers or stimulants, but in a correct understanding and application of scriptural principles." -J. Life wears on us, we go through seasons of fatigue, strain and tension that take their toll, and we can easily fall into apathy. Sanders prescribes a powerful tonic of scriptural principles that lead to recovery and growth. For anyone who feels worn out from their Christian life and could use a little spiritual doctoring, A Spiritual Clinic is for you.

New York Times bestseller Alison Goodman's eagerly awaited new project -- a Regency adventure starring a stylish and intrepid demon-hunter! London, April 1812. On the eve of 18-year-old Lady Helen Wrexhall's presentation to the Queen, one of her family's housemaids disappears--and Helen is drawn into the shadows of Regency London. There, she meets Lord Carleton, one of the few who can stop the perpetrators: a cabal of demons infiltrating every level of society. Dare she ask for his help, when his reputation is almost as black as his lingering eyes? And will her intelligence and headstrong curiosity wind up leading them into a death trap?

An eye-opening biography of one of the most influential psychiatrists of the modern age, drawing from his lectures, conversations, and own writings. In the spring of 1957, when he was eighty-one years old, Carl Gustav Jung undertook the telling of his life story. Memories, Dreams, Reflections is that book, composed of conversations with his colleague and friend Aniela Jaffé, as well as chapters written in his own hand, and other materials. Jung continued to work on the final stages of the manuscript until shortly before his death on June 6, 1961, making this a uniquely comprehensive reflection on a remarkable life. Fully corrected, this edition also includes Jung's VII Sermones ad Mortuos.

Church Publishing Incorporated is pleased to offer this new and expanded volume of optional commemorations of significant figures in the history of the Episcopal Church. It replaces the popular Holy Women, Holy Men. By action of the 2015 General Convention, Great Cloud of Witnesses is being made available for devotional or catechetical use and for use in public worship throughout the Church. GCW reflects the lively experience of holiness, especially on the level of the local community. GCW is accordingly a useful tool for learning about the history of the church and identifying those who have inspired and challenged us from the time of the New Testament to the present. Each entry includes a biographical narrative of the person or people, highlighting the significance of their lives and witness. A devotional collect is provided in both Rite I and Rite II language and a set of indexing "tags" suggests how the entry fits into the broader scope of Christian history and delineates the Christian gifts and virtues that may have inspired the person's ministries. The GCW binder edition is printed on a special synthetic paper coated with a unique clay coating which combines the advantages of paper with the durability of plastic. We chose this synthetic paper because it looks and feels like paper but stands up to water, weather, grease, chemicals and resists tearing in both directions. If changes are made to the calendar of commemorations in future years, CPI will publish a special extension pack, so that individual pages may be replaced. We believe this format will be flexible for many years.
