The Lost Fleet saga reaches a thrilling climax in Relentless. Without spoiling anything, it can be said that author John Henry rewards his audience liberally for the time invested in the preceding four novels. Relentless may be the most exciting entry of the series yet. The appropriateness of the title becomes apparent as the novel refuses to be put down, gripping the reader with a sustained concatenation of action, intrigue, and clever story development.

The Lost Fleet is a military science fiction series written by John G. Hemry under the pen name Jack Campbell. The series is set one-hundred-plus years into an interstellar war between two different human cultures, the Alliance and the Syndics. The protagonist of the story is discovered floating in a suspended animation escape pod one hundred years after he made a "heroic last stand" against an enemy fleet. In his absence, he has been made into a renowned hero in the Alliance, but his legend and
