The Management Myth: Debunking Modern Business Philosophy ...

The Management Myth is a rare and often very humorous expose on the shenanigans behind the corporate empire that has catapulted us down the current road to economic turmoil. --John Perkins, best-selling author of Confessions of an Economic Hit Man and The Secret History of the American Empire

The Management Myth: Debunking Modern Business Philosophy ...

After having read the book, I ask myself which modern business philosophy has been debunked in the book. It is more or less an overall attack on (some) management theories and it is a very poor one. There is a lot of smattering, half knowledge and one-sided presentation

The Management Myth: Debunking Modern Business Philosophy ...

Stewart's book is subtitled "Debunking Modern Business Philosophy". It is a criticism (and I mean criticism not critique) of the management consultancy business since its inception to the close of the first decade of the 21st century.

Matthew Stewart is a former management consultant, so he should know what he's talking about.
