The Marriage and Family Experience: Intimate Relationships ...

As a part of the History of Working- Class Marriage project, my PhD research is investigating the effects of marriage and family life on children in Scotland between 1920 and 1970. At this point in time there is no comprehensive history of childhood experiences in Scotland, and very little existing information on the experiences of children growing up in different family forms and circumstances.

The Marriage and Family Experience: Intimate Relationships ...

They also note that family members take on status roles in a marriage or family. The family—and its members—perform certain functions that facilitate the prosperity and development of society. Sociologist George Murdock conducted a survey of 250 societies and determined that there are four universal residual functions of the family: sexual, reproductive, educational, and economic (Lee 1985).
