On a summer evening in the Northeast, an orange tom cat creeps under a wooden fence and hides in the bushes behind a bird-feeder.

Stephen Baker - The Numerati

That's what Stephen L. Baker attempts to sort out in *The Numerati*, a neologism he has coined for the computer scientists and mathematicians getting their hands dirty with our data. The book takes an admirably thematic approach and looks at developments across a broad spectrum of society, covering ways in which advancements have and will affect the worlds of work, commerce, politics, medicine and romance.
