The Other Path: The Economic Answer to Terrorism is a book by Peruvian economist Hernando de Soto Polar which describes the informal sector and underground economy of Peru in the 1980s. The book was a top seller in both Latin American and the United States while also receiving international critical acclaim for its impact on economic growth and development in Latin America. De Soto discusses the failures of government enforced regulations regarding property rights and how underground economies b

De Soto calls The Other Path a political book. I'd say political economy, written not as an abstract economist-to-economist treatise that only recommends further study, but rather as an insightful investigation that may well, as one reader put it, serve as a "virtual manifesto for laissez faire capitalism in the Third World."
