The Oyster Catcher, Anglesey – A haven for great views ...

The Oystercatcher is built on the site of a private house that was previously occupied by a Middle Eastern family. They left abruptly at the start of the first Gulf War in 1992, and the building was left derelict for several years before the Oystercatcher came into being. Our menus are full of hearty favourites and country pub classics, as well as our seasonal spring dishes, and we ' ll be ready

The oystercatcher is a large, stocky, black and white wading bird. It has a long, orange-red bill and reddish-pink legs. In flight it shows a wide, white wing-stripe, a black tail and a white rump that extends as a 'V' between the wings. Because it eats cockles, the population is vulnerable if cockle beds are overexploited.
