"

The Party: The Secret World of China's Communist Rulers ...

The Party is Financial Times reporter Richard McGregor's eye-opening investigation into China's Communist Party, and the integral role it has played in the country's rise as a global superpower and rival to the United States. Many books have examined China's economic rise, human rights record, turbulent history, and relations with the US; none until now, however, have tackled the issue central to understanding all of these issues: how the ruling communist government works.

In The Party, Richard McGregor delves deeply into China's inner sanctum for the first time, showing how the Communist Party controls the government, courts, media, and military, and how it keeps all corruption accusations against its members in-house. The Party's decisions have a global impact, yet the CPC remains a deeply secretive body, hostile to the law, unaccountable to anyone or anything other than its own internal tribunals.
