Contemporary photography could be described as a photograph from our own time, compared to an image from a much earlier period. A relevant definition of the word contemporary is: "happening in the same period of time..of or in the style of the present or recent times" . 1 Contemporary Photography is actually somewhere in the space in time between today, and the earliest inception of the medium. There are no bookends to defining a period for "Contemporary Photography".

What is Contemporary Photography? - Foto Relevance

In its most basic sense, the term contemporary art refers to art—namely, painting, sculpture, photography, installation, performance, and video art—produced today. Though seemingly simple, the details surrounding this definition are often a bit fuzzy, as different individuals' interpretations of "today" may widely and wildly vary.
