The Red and the Green is a novel by Iris Murdoch. Published

## Online Library The Red And Green Life Machine

in 1965, it was her ninth novel. It is set in Dublin during the week leading up to the Easter Rising of 1916, and is her only historical novel. Its characters are members of a complexly inter-related Anglo-Irish family who differ in their religious affiliations and in their views on the relations between England and Ireland. The novel combines a thoroughly researched account of the events leading up to the Easter Rising with a complicat
