The Olympic Games - HISTORY

According to legend, the ancient Olympic Games were founded by Heracles (the Roman Hercules), a son of Zeus. Yet the first Olympic Games for which we still have written records were held in 776 BCE (though it is generally believed that the Games had been going on for many years already). At this Olympic Games, a naked runner, Coroebus (a cook from Elis), won the sole event at the Olympics, the stade - a run of approximately 192 meters (210 yards).

History of the Olympics: Creating the Modern Games

Olympic History - from the home of Zeus in Olympia to the modern Games. As a sacred place used regularly in religious ceremonies, as well as playing host to the Ancient Games, Olympia was at the centre of Greek civilisation. Renowned expert Paul Christesen gives Olympic.org a unique insight into Olympia and how the site changed as the Games grew. " At its heart the Ancient Olympic Games was a religious festival held in a religious sanctuary, " Paul Christesen, professor of Ancient Greek ...

The Story of the Olympics by Minna Lacey - Goodreads

The earliest reliable date that recorded history gives for the first Olympics is 776 B.C., although virtually all historians presume that the Games began well before then. It is certain that during the midsummer of 776 B.C. a festival was held at Olympia on the highly civilized eastern coast of the Peloponnesian peninsula.

There are two stories relating to the question of nudity at the ancient Olympic Games. One story states that it was a runner from Megara, Orsippus or Orrhippos who, in 720 B.C. was the first to run naked in the stadion race when he lost his shorts in the race. Another tradition is that it was the Spartans who introduced nudity to the Olympic Games in the 8th century B.C. as it was a Spartan tradition.
