"The Supply Chain Revolution provides a lucid commentary of some of the most basic supply chain challenges frustrating senior management across different industries. Adopting a methodical approach to inventory tracking, product fulfillment, and channel distribution will help yield significant value in cash flow and reduce inventory obsolescence costs."

In The Supply Chain Revolution, Sarkar helps us understand that revised world of business call for revised ways of doing business. That previous statement may sound self-evident, but Sarkar takes us through the ways that the the old styles of The Internet as the New Frontier is only a light exaggeration.
