Formerly titled It's Great to Be Three. Kathy Charner has been with Gryphon House for over 10 years. She is the editor of several books, including: The GIANT Encyclopedia of Circle Time Activities; The GIANT Encyclopedia of Art and Craft Activities; The GIANT Encyclopedia of Science Activities; and The GIANT Encyclopedia of Theme Activities.

Sneezes, coughs, runny noses, spills, and messes are facts of everyday life with children. And that ' s why it ' s never too soon to teach little ones about germs and ways to stay clean and healthy. This book is a short course for kids on what germs are, what they do, and why it ' s so important to cover them up, block them from spreading, and wash them down the drain. Simple words complement warm, inviting, full-color illustrations that show real-life situations kids can relate to. A special section for adults includes ideas for discussion and activities.

English and Spanish text presents the importance of dental health and the care of the teeth.

Enhance your classroom with 200 movement-inspiring activities for children ages 4 to 8. Wiggle, Giggle & Shake challenges children to think and solve problems, to recognize and explore their feelings, and to physically participate in their own learning. Explore 38 popular classroom themes such as holidays, nature, animals, nutrition, and more. This book offers simple, practical, and fun movement activities and ideas grouped according to these popular themes. Rae Pica has been a movement education consultant for 21 years. She is an adjunct instructor with the University of New Hampshire. She is the author of 12 books. This is her first book with Gryphon House.

As young children become aware of their bodies, they can begin to appreciate and care for their health. Encourage children to feel good about their bodies, prevent the spread of diseases, and gain a measure of independence and control in their lives with this Body Care curriculum. Children will understand their bodies and the five senses, and they will learn the importance of washing hands and practicing good hygiene, brushing teeth and promoting good oral health, avoiding germs, and taking medicine. The curriculum includes Overviews of the six body care topics Suggested interest area materials and supports for creating the learning environment Learning objectives and vocabulary words to introduce and use Suggestions for evaluating children ' s understanding of each topic More than 30 hands-on classroom activities Family information and take-home activities This book is part of the Growing, Growing Strong series, a whole-health curriculum for children age three though kindergarten. Together, the books provide a complete set of activities and resources to help you support children ' s growth and wellness.

The author, an in-home childcare provider for 13 years, has organized her tried-and-true teaching techniques, craft projects, and recipes into a creative tool for parents and caregivers of young children. Complete with everything from innovative field trip ideas to large alphabet pattern pages, this book provides practical and imaginative ways to educate children while having fun. Includes inspirational Biblical passages for adults, as well as educational ones for children.

Bullying is a widespread and concerning issue that affects children of all ages. Focusing on character education in the early years, this resource aims to prevent bullying before it starts. Educators can use this comprehensive framework and developmentally appropriate activities to teach young children compassion, conflict resolution, respect, and other positive, pro-social values as they cultivate a peaceful and supportive learning environment for all children. Judith Anne Rice is a keynote speaker specializing in character building. She is the author of several books and an early childhood family education teacher.
