Too Big to Jail: How Prosecutors Compromise with ...

Too Big to Jail takes readers into a complex, compromised world of backroom deals, for an unprecedented look at what happens when criminal charges are brought against a major company in the United States. Federal prosecutors benefit from expansive statutes that allow an entire firm to be held liable for a crime by a single employee.

Too Big to Jail — Brandon L. Garrett | Harvard University ...

The expression “too big to jail” typically refers to failures to prosecute big corporations such as Wall Street banks. However, the same expression has mostly been used for failures to prosecute the founding families of chaebols , large business groups controlled by founder families in South Korea.

Too Big to Jail: How Powerful Korean Executives Escape ...

This paper investigates the judicial bias in favor of large economic organizations. The Korean judiciary is biased towards chaebols (large family business groups). Convicted chaebol?related defendants receive 9.9% more jail?sentence suspensions and 19 months shorter jail terms than non?chaebol counterparts do. Observed leniency remains robust after controlling for the quality of defense ...

Too Big to Jail Feb 22, 2012 Simon Johnson Among the fundamental principles of any functioning judicial system is the following: Don't lie to a judge or falsify documents submitted to a court, or you will go to jail. These are serious criminal offenses, but apparently not if you are the heart of America's financial system.

Too Big to Jail by Simon Johnson - Project Syndicate

The expression “too big to jail” has been used by Senator Warren and others to refer to failures to prosecute Wall Street bankers after the last financial crisis. To see why corporations themselves may escape prosecution, however, it is important to understand how a company is prosecuted, and the practical challenges such cases face.

Too Big to Jail? - Harvard University Press Blog

too big to jail. While there have been critics of those developments on both sides of the aisle, some good proposals for legislation, concerns raised by judges, and saber-rattling statements from the Department of Justice, what we have not seen is a plan for action that fundamentally rethinks how financial offenses are handled.

A Bank Too Big to Jail - The New York Times

Too Big to Jail? The usual play is that once they are publicly exposed, perhaps even indicted, pleas from other highly placed people will be made that they “have suffered enough” and that their resignations or firings are sufficient. Slap on the wrist, and ‘we promise it will never happen again’. Nixon was guilty as hell.
