The premise of this movie is so stupid, that even an eight year old would find fault in its logic. It's kind of a pity to see guys like Madsen and Jones in a piece of crap like Tooth and Nail and makes you wonder who the hell talked them into it.

Dokken released their second record  
"Tooth & Nail" in 1985. Dokken played  
a very radio friendly style of melodic  
rock that was all the rage in the 80's,  
and they did it better than most. "Tooth  
& Nail" is definitely not Dokken's most  
well known record, but this baby is a  
smoker nonetheless.
