friends about when  
you get back home.

Taking place in the  
mid 1980's on the  
cusp of mainland  
China opening up to  
independent travel,  
Gilman writes of the  
naivety of youth as  
she and one of her  
friends from  
University head out  
on a one-year trip  
round the world.
