A policy and procedure manual is required for UCA Accreditation and Certification, as well as other licensing and regulatory bodies. Having a policy and procedure manual helps better prepare your urgent care center for the changing legal and regulatory climate and provide tools that prepare your staff to respond confidently, appropriately and consistently to business and patient circumstances.

Clinic. Updated September 8, 2005.

Foreword. Acute Care, Musculoskeletal Medicine (MM) and Office based procedures (OBP) are integral and fundamental to the practice of ambulatory medicine. A survey I conducted in 2000 in Sacramento area clinics revealed that there is a perceived disparity between the adequacy of training that primary care physicians receive in OBP/MM and the need to offer OBP, musculoskeletal evaluation or treatment.
