Waterlog slips into this mode once or twice, but I was pleased to find that this book is not about 'Britain' (or 'England') at all. On the contrary, it brings a modern and cosmopolitan sensibility to the subject of swimming - specifically wild swimming (in places not made convenient or safe for recreational immersion), although he does visit purpose-built facilities too, from village pools to ...

Waterlog's subtitle, 'A Swimmer's Journey Through Britain', suggests the book he wrote about it, *Waterlog*, has become a classic of the nature-writing genre. I first heard of it when I read Robert Macfarlane's *The Wild Places*, which is in part a memorial to Macfarlane's friendship with Deakin, last year, and picked up a copy a few months ago.

Waterlog ran for 100 issues after it was founded in 1996 with the objective of providing good quality, sometimes eccentric stories in magazine format for anglers who enjoy the process of fishing as much, if not more than the catch. The magazine was published quarterly and its coverage, whilst maintaining stories of high literary quality and regular spoofs, included historical, political and ...

Waterlog is a short documentary which tells the story of writer Joe Minihane and his battle with anxiety. Finding an antidote in the form of wild swimming Joe sets out to retrace the route of environmentalist Roger Deakin's nature writing classic, *Waterlog*. In a journey that takes him to every corner of the UK he eventually finds relief, not just in the cold waters he swims in, but by being ...
