We'll Never Be Apart is quite the debut novel. From the very first words on the very first page, it had me hooked and even after finishing it, I'm not sure if it has quite let go of me yet.

I'm still thinking about what a mad (pun intended)

rollercoaster this was, filled with twists and turns, building up and up and up

~~We'll Never Be Apart by Emiko Jean - Goodreads~~

WE'LL NEVER BE APART is told from Alice's first person POV, her journal. Cellie has a chapter and the beginning and

1. We'll Never Be Apart, by Emiko Jean: I really, really enjoyed this book. It was very cheesy, but I couldn't help loving it. One review I read by a particularly tough critic on Goodreads said that there was little to no character development and the entire plot relied on a twist that many readers have seen before.
