P.C. EMMER University of Leiria ' en In the past, Africa hardly participated in the international migration of free labor, suggesting that migration within Africa was also limited in volume. This is not surprising, as any kind of human movement in Africa was tainted by the horrors of the slave trade. Actually, it could be argued that after 1750 the ' European miracle, ' i.e., Europe ' s unique ...

This difference might be due to lack of in-service training, sample size, and sociodemographic difference. The proportion of healthcare workers who were practicing proper infection prevention activities was 57.3% which in line with a study conducted in an Egyptian hospital [ 44] and in Bahirdar city [ 35 ].

Knowledge, practice and associated factors  
of infection ...

Social work and community development have always been uneasy bedfellows. On one hand, community development is seen as one of the tools used by social workers working in community settings, and it is recognised as a skilled practice within social work education. On the other hand, community development is a discipline in its own right with its own values, theory and
