~~Zen at War - Wikipedia~~

Zen at War is an incendiary book and an essential cautionary tale for anyone wanting to apply Buddhist teachings. Brian Victoria is a genuinely radical historian who asks followers of Zen-and by extension all Buddhists-to look beyond the pristine, other-worldly image the tradition has presented and understand the deep compromises that came from its relationship with power. Much more than an ...

~~Zen at War (2nd Edition) (War and Peace Library): Amazon ...~~

A compelling history of the contradictory, often militaristic, role of Zen Buddhism, this book meticulously documents the close and previously unknown support of a supposedly peaceful religion for Japanese militarism throughout World War II. Drawing on the writings and speeches of leading Zen masters and scholars, Brian Victoria shows that Zen served as a powerful foundation for the fanatical ...

~~Zen at War - Daizen Victoria - Google Books~~

The essence of the charge in Zen at War is that from the end of the 19th century until 1945, almost the entire Japanese Buddhist establishment - not just Zen Buddhists - were vigorous supporters of the war effort and the militaristic society from which it grew.

~~Zen At War | Vishvapani~~

Daizen Victoria recounts the history of how Japanese Zen Buddhists and scholars reframed Buddhist doctrine to support and justify Japanese imperialism during and leading up to World War II. It is a classic study that clearly shows how spiritual awakening is not synonymous with mature, worldcentric moral perspectives and values.

~~Zen at War by Brian Daizen Victoria - Goodreads~~

Brian Victoria's courageous book, Zen At War, shows another face of Japanese Zen Buddhism, an ugly and disturbing picture of Zen that has stunned and even traumatised many Western Zen teachers and students alike. The book exploded onto the Western Zen scene in 1997 and has been a subject of controversy ever since.

~~thezensite: Zen at War book review by Vladimir K.~~

Zen at War My country is again on the brink of attacking a Middle Eastern state, again for the noblest reasons. It seems like a good time to republish a review I wrote in 2008 of two books by Brian Victoria: Zen at War and Zen War Stories.

~~Zen at War — emptysqua.re~~

Zen at War is an incendiary book and an essential cautionary tale for anyone wanting to apply Buddhist teachings.

~~Amazon.com: Zen at War (2nd Edition) (9780742539266 ...)~~

Victoria's sole reference in Zen and War to Tsunesaburo Makiguchi (the founder of the Nichiren-related Sokka Gakkai) is in a footnote on page 201, which Victoria adds to explain why he has not included Makiguchi's group among those the author cites as opposing the Japanese militaristic government.

~~Talk:Zen at War — Wikipedia~~

Zen At War is an amazing book. This book shows very clearly what you get when you let someone else run your spiritual life: You get Jonestown. I don't like what the Japanese Buddhists did during the war. I don't like what the Christians did either.
